Key Chain Collection

Keep a beloved pet near and dear to you at all times. Our new Key Chain collection allows a beloved pet to be taken with and remain close wherever the owner goes. Offered in two different designs, they can also be a good option for young adults or anyone that prefers not to wear jewelry. They are made of durable stainless steel to withstand daily wear and tear and offer the option of personalization on the back to customize specifically to a special pet.

All designs © 1994-2023 Terrybear, LLC. Terrybear is a registered trademark of Terrybear, LLC.
