

Lyrical Songbird

Our Lyrical Songbird Keepsake collection offers the beautiful and unique design element of blown glass without having to send in cremated remains to be used in the glass-blowing process. They feature a convenient and discreet compartment for remains. Each bird is one-of-a-kind; no two pieces are identical. In four different options, they showcase beautiful swirls of varying colors. This collection is a wonderful memorial to keep and display in a special place inside the home.
