

Cascade Scatter™ Classic Series

A proven, classic urn shape with a unique twist on scattering. Elevate and customize a grieving family's scatter experience with the Cascade Scatter™ Classic urns. The innovative, patent-pending Cascade Scatter™ Closure provides many options to memorialize a loved one; the multi-functional and decorative lid design allows cremated remains to be scattered gently and slowly, and grants the remains to be dispersed by many loved ones during a scattering ceremony. They are constructed of brass with two beautiful blue finishes and multiple distinct and decorative lid designs. The Cascade Scatter™ Classic urns are also perfect as a permanent tribute in the home after the scattering ceremony is complete. Adorn your memorial with custom personalization.
